New CAL FIRE San Mateo-Santa Cruz Unit Website

Felton – The California Department of Forestry and Fire Protection (CAL FIRE), San Mateo-Santa Cruz Unit (CZU) is introducing a new website. This new website can be accessed at www.fire.ca.gov/CZU. This new site offers information about fire safe councils, cooperative contracts, the CZU Twitter feed, news releases, public notices and links for incident information all in a centralized location. CZU has cooperative agreements to provide emergency services for Santa Cruz County Fire Department, San Mateo County Fire Department, Pajaro Valley Fire Protection District and Coastside Fire Protection District. The new website will provide a link and information for all the district or county fire department specific websites. CZU programs that will have information on this website include Volunteer Firefighters, Office of the State Fire Marshal, Forest Practice, Fire Prevention and the Soquel Demonstration State Forest. CZU Unit Chief Scotty Jalbert said, “We are excited to be able to use the internet to combine loads of information that will be easy for the public to access within a one-stop shopping format.”
